WHAT TO NOT PACK:

- ❏ ANY electronic devices
  - ❏ No phones (youth leaders will have phones if needed)
    - ❏ If you bring a phone and would like to turn it in at registration, you can. Some students like to do this so that they can get their phones the last day to take photos. We advise leaving them at home or with Parent/Guardians as the best course of action.*)

- ❏ ALL leaders will be accessible to your student to be able to allow them to call you if needed. If you need to get in touch with your student, you may contact your Youth Pastor, Youth Director, or a youth leader. You can also always email us at thepursuitcamp@gmail.com to get in touch with the Camp Administrator who can help direct you to the right person.
- ❏ No cameras (This includes disposable and polaroid cameras. This is a safety precaution, especially in the cabins where use isn't as easily regulated. We will have photos taken all week by our media team and will make them available after camp. Photos can be taken after dismissal on Saturday when students receive their phones back.)
